Keep the quilts coming! We have homes for them. You can bring them to the COK and More table anytime during the evening.

Don't forget that you can get batting from Carol Spindler for any quilts you are making for COK and More by calling her a few days before our meeting with the size you need. Her number is 636-343-5152.

As a reminder, the following are suggested approximate sizes for quilts using age appropriate fabric:

Teen	50" x 70"
Nursing Home Lap Quilts	36" x 48"
