

Call for Help from all quiltmakers

Quilts for the Campers at Camp David of the Ozarks – June and July 2019

Quilts should be age appropriate and **size is important !**

For Kids 8-12 Finished size should be 48” x 72”

For Kids 13-16 Finished size should be 60” x 84”

Quilts can be machine quilted or tied.

Use only good quality cotton fabrics – no flannel, fleece or cuddle fabrics. These should be light weight for summer use. Try to use simple patterns and colorful, happy fabrics. Kids like animals, critters, bugs – horses are popular, super heroes, geometrics, panels and scraps work great too. Think camping and outdoor themes. Please do not use holiday fabrics such as Christmas, Halloween, St Patrick’s Day, Easter etc.

Quilts need to be ready for delivery to the Camp by Memorial Day – Bring finished quilts to Jackman’s Fabrics - Creve Coeur or OSewPersonal in O’Fallon Mo. before May 22, 2019.

Please share this information with your friends and guilds. All are welcome to participate. If you need further information or guidance please Call or text project coordinator:
