

BEGINNER'S LUCK

The group meets the first Tuesday of each month from 1:00 to 3:00ish p.m.

This Beginner's Luck group is focused on developing piecing skills and other techniques and is using the block designs from the 2017 Bits Block of the Month patterns.

During 2020, each member is teaching a quilting-related technique/skill to the group.

The group is limited to 12 members in order to make it practical to meet in each other's homes. The group is currently closed to new members.

Contact Chris 314-452-5912 (cell) for meeting information or more information about the group.
